REQUEST FOR QUOTES CRUSHED STONE

The Town of Williamstown is requesting written quotes pursuant to M.G.L. 30b for the provision of up to 1,000 tons each of various grades of crushed stone per ton as listed below. Separate quotes for delivered and picked-up, for each type of material, are requested for the period July 1, 2017 to June 30, 2018.

Aggregate shall consist of clean and durable gravel stone, crushed stone, or crushed slag. It shall be uniformly graded in accordance with the Massachusetts Department of Public Works, Standard Specifications for Highways and Bridges, dated 1988, material specifications as follows:

QUANTITY (up to)	STONE SIZE	MATERIAL SPECIFICATION
1,000 tons	1-1/2"	M2.01.1
1,000 tons	3/4"	M2.01.4
1,000 tons	1/2"	M.2.01.5

Material shall be quoted on a unit price basis per ton, including delivery by the bidder to the Town's storage site at 675 Simonds Road, Williamstown, MA, and/or loaded by bidder into Town vehicles at the bidder's stockpile.

In the case of the latter, consideration will be given to the proximity of the bidder's stockpile in relation to the center of Williamstown in awarding said bid.

The successful bidder will be required to furnish a representative sample and a sieve analysis certifying that the material meets the above referenced specifications. Subsequent analysis will be required if the material delivered varies from the representative material.

By submitting a quote, the bidder acknowledges that materials will be available and delivered when required, not later than 24 hours after order is placed.

Bidders may quote on any or all types of material requested, and either or both methods of delivery. It is the intent of the Town of Williamstown to award bids individually to the lowest eligible and responsible bidder for each item.

Written quotes may be mailed, faxed or hand delivered to:

Timothy A. Kaiser, Director
Department of Public Works
675 Simonds Road
Williamstown, MA 01267
Phone (413) 458-9345
Fax (413) 458-4101

Only quotes received by 3:00PM, Friday, June 9, 2017 will be considered. The selected contractor shall be required to execute a standard contract for services with the Town of Williamstown.
