RE: Open Meeting Law Complaint

Dear Swiatek:

Thank you for contacting the Attorney General's Office. On June 3, 2013, we received your Open Meeting Law complaint, dated May 31, 2013, which was originally received by the Williamstown Affordable Housing Committee on or about March 14, 2013. We will review your complaint and will contact you in the event that we require additional information. We will notify you of our determination following our Office's review.

Your complaint may be resolved through either a formal order or informal action. Formal orders contain a detailed discussion of the alleged violation, applicable legal requirements, and may order any of the remedies provided in G.L. c. 30A, § 23(c). If your complaint is appropriate for informal action, we will attempt to resolve the matter by speaking to the parties, followed by a brief letter noting whether or not there was a violation and what remedial action was taken.

For additional information on the Open Meeting Law and the complaint process, please visit our website at www.mass.gov/ago/openmeeting. Please do not hesitate to contact the Division of Open Government with any further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "LZivkovich", with a long horizontal line extending to the right.
