CONSTRUCTION CONTROL DOCUMENT

Project Title: _____ Date: _____

Project Location: _____

Scope of Project: _____

In accordance with the 8th edition of the Massachusetts State Building Code:

I, _____ Mass. Registration Number: _____

being a registered professional Engineer/Architect, **hereby CERTIFY** that I have prepared or directly supervised the preparation of all design plans, computations and specifications concerning:

- Entire Project Architectural Structural Mechanical
- Fire Protection Electrical Other (specify):

for the above named project and that to the best of my knowledge, such plans, computations and specifications meet the applicable provisions of the Massachusetts State Building Code, all acceptable engineering practices and all applicable laws for the proposed project.

Furthermore, **I understand and AGREE** that I shall perform the necessary professional services and be present on the construction site on a regular and periodic basis to determine that the work is proceeding in accordance with the documents approved by the building permit and shall be responsible for the following;

1. Review of shop drawings, samples and other submittals of the contractor as required by the construction contract documents as submitted for the building permit, and approval for the conformance to the design concept.
2. Review and approval of the quality control procedures for all code-required controlled materials.
3. Be present at intervals appropriate to the stage of construction to become generally familiar with the progress and quality of the work and to determine, in general, if the work is being performed in a manner consistent with the construction documents.

I shall submit periodically, in a form acceptable to the building official, **a progress report** together with pertinent comments. Upon completion of the work, **I shall submit** to the building official **a final report** as to the satisfactory completion and readiness of the project for occupancy.
