April 27, 2021

The Williamstown Water Department will be flushing water mains beginning Monday, May 10<sup>th</sup>, through Thursday, May 20<sup>th</sup>, between the hours of 8:00 p.m. and midnight, weather permitting. Flushing will not be done on Friday evenings

Customers may experience some cloudy water and lower than normal pressure. We apologize for any inconvenience this might cause.

This is a semi-annual procedure to remove any sediment in the mains and check the operation of all hydrants. Any questions regarding this matter please feel free to call the business office at 458-3383.
