The examining physician shall advise as to whether or not, in the opinion of the physician, the applicant is fit to perform, with or without reasonable accommodations, the essential functions and/or duties of the position for which appointment has been made. A report of the medical examination of any person hired shall be maintained as a permanent part of the Town records. Police candidates will be subject to physical ability tests and any other required state examinations. Upon failure to undergo a physical exam, or upon written report by physician that the applicant cannot perform essential job functions with or without reasonable accommodations, the Town Manager may withdraw the employment offer.

3-6. *Reasons for Rejection:* The Appointing Authority may reject any applicant who does not possess the minimum qualifications required for the position or any applicant that has not filed by the announced closing date. Further, an application shall be rejected if the applicant made a false statement of any material fact or practiced any deception or fraud. Written notice of rejection shall be given to the applicant from the Town Manager.

3-7. *Failure to Report:* An applicant who accepts an appointment and fails to report to work on the date set by the Appointing Authority, shall be deemed to have declined the appointment and the offer of employment shall be withdrawn.

3-8. *Immigration Law Compliance:* The Town of Williamstown complies with all federal immigration laws and regulations and is committed to providing a workplace free from discrimination, including any discrimination based on national origin or citizenship status. In cases of business need, the Town may sponsor foreign nationals for nonimmigrant (temporary) or immigrant (permanent) visas. The Town employs only U.S. citizens and foreign nationals who are authorized to work in the United States. All employees are asked on their first day of work to provide original documents verifying the right to work in the U.S. and to sign a verification form required by federal law (Form I-9). If the applicant's right to work in the U.S. can't be verified within three days of hire, the Town must terminate the individual's employment.

(a) *Requests:* A hiring manager that is considering recruitment of foreign workers must contact the Town Manager/HR Director prior to commencing action. All requests for immigration sponsorship will be handled by the Town Manager.

(b) *Offer of Employment:* Any offer of employment to a foreign national under a nonimmigrant program is considered temporary and is subject to the terms and conditions of the specific program's work authorization. Holders of nonimmigrant visas can be appointed only for the time period permitted under the individual's visa. The Town's sponsorship of a foreign national for a temporary visa doesn't obligate or guarantee that the Town will sponsor the foreign national for lawful permanent residency.

4.0 Orientation and Probation

4-1. *Policy:* The Town Manager/HR Office shall inform new employees of their rights, responsibilities, duties, and obligations. Performance of all new employees must meet acceptable work standards.

4-2. *Orientation:* The Town Manager and/or Human Resources Director shall:

(a) notify the new employee of a starting date, time and designated location for starting work.

the employee's assigned department including the safety policies and procedures.

4-3. Probationary Period: All newly appointed or promoted employees shall be required to successfully complete a probationary period of six months. Said period shall begin on the employee's starting date and may, in the case of absences, be extended by the number of days the employee is absent from work. The Town Manager and department head shall utilize the probationary period to help all new or promoted employees to achieve effective performance standards. They shall also use the probationary period to observe and evaluate the employee's attitude, conduct and work habits.

An employee may also be placed on probation pending their acquisition of licenses or certifications necessary for the position to which they were appointed. The length of the probationary period, in these instances, shall be determined by the Town Manager and shall be a condition of employment or promotion.

Immediately prior to the expiration of the employee's probationary period, the respective department head will notify the Town Manager in writing that:

- The employee's performance was satisfactory and the individual should be retained in the position as a permanent employee or,
- An extension of the probationary period is desired, not to exceed three months, for additional observation due to specific extenuating circumstances or,
- The employee's performance, attitude or conduct was unsatisfactory, stating the specific reason why, and that removal is recommended.

Employees operating under a collective bargaining agreement will be subject to the terms of the applicable Agreement, to the extent that they differ.

4-4. Removal During Probationary Period: An employee may be removed during the probationary period by the department head with the approval of the Town Manager, for any reason. Reasons for removal include, but are not limited to: if it is revealed that the employee intentionally falsified information relating to his employment application; if the employee was unable or unwilling to perform required duties; or that the conduct, habits or dependability of the employee do not merit continuing the employee in the position.

The employee will be notified in writing of the reasons for the termination and the effective date of the action. The employee may not appeal the removal.

Promotions/Transfers

5-1. *Promotions*: When an employee is promoted or transferred to a higher-rated position, they shall enter it at the minimum pay rate for that position. If their existing pay rate is higher than the minimum pay rate of the new position, they will advance to the next level above their present rate. They may also receive a pay increase at the time of promotion, if the department head recommends, in writing, that qualifications and performance warrant it and if the Town Manager approves it.

5-2. *Notification*: Notices of promotional positions shall be posted on the Town Manager/HR Office's bulletin board and on the Town website. Interested employees shall bid for the position, using forms prescribed by the Town Manager's office.

5-3. *Methods of Selection (Promotional Level)*: The Town Manager/HR Office shall establish any one or a combination of selection procedures in order to determine the candidates' ability to perform in the higher-level position:

1. Interview
2. Evaluation of past performance
3. References
4. Tests

5-4. *Probation*: A promoted employee shall serve a promotional trial period of six months beginning on the day of the promotion. The department head is responsible for completing an evaluation of the promoted employee for said period to assure that the employee can satisfactorily perform the duties of the new position.

The promotional trial period or any extension thereof, an employee is, in the opinion of the department head or appropriate supervisor, found to be unqualified or incompetent in performing the duties of the new position, the employee shall be returned to their former position, without appeal, provided a vacancy exists. If the former position is no longer available, every effort will be made to place the employee in a comparable position. However, if a vacancy in the same or a comparable position does not exist, the employee will be returned to their former position and the provisions of the section entitled Break in Employment as pertains to layoffs shall apply to the employee they will be replacing.

5-5. *Grievance*: Promotion of employees to positions outside the bargaining unit or organizational unit shall be within the sole discretion of management and shall not be subject to grievance or appeal.

5-6. *Transfers*. A transfer occurs when an employee is moved to another position in the same job classification or to another job classification with the maximum pay rate. An employee may initiate a request for a transfer to a different department through their department head. An employee shall in no way be penalized for submitting a request for transfer as it is the practice of the Town to allow transfers when in the best interest of the Town and the employee, and thus encourage employees to enhance their personal development and add to their overall contribution to the Town's

services. The Town Manager, for the good of the Town, may transfer an employee to a different work location or department under their jurisdiction. The Town Manager shall have the final authority regarding requests for transfers. Denials of requests for transfers, and involuntary transfers, shall not be subject to the grievance procedures.

The Town shall provide individuals with disabilities the reasonable accommodations they need to be interviewed. (*Reasonable accommodations might include a sign language interpreter, written rather than oral responses, large print or Braille material, or an accessible location.*) Interviews should be held in offices or conference rooms that are private and easily accessible to individuals with disabilities. Any applicants requiring accommodations shall do so through the ADA Coordinator.

6.0 Performance Reviews

6-1. *Coverage:* Subject to the Town Manager's approval, there may be a Performance Appraisal system that applies to all non-union employees. Any performance system developed for union positions would need to be negotiated following collective bargaining procedures.

It is the policy of the Town that all full-time and permanent part-time employees may be evaluated on an annual basis. The Town Manager has the right to implement a performance system if they so desire. Additionally, employees who are nearing the end of the probationary period may be evaluated prior to the determination as to whether the employee should be retained on a permanent basis.

6-2. *Policy:* The Purpose of the system developed for Williamstown will be to:

1. Provide specific feedback on performance;
2. Clarify expectations (job duties, standards, goals);
3. Identify strengths and opportunities for improvement/growth;
4. Provide the basis for decisions relative to pay;

6-3. *Pay Increases:* Pay increases may be granted based on performance attainment. Any pay-for-performance system developed is subject to the Town Manager's approval.

7.0 Classification Plan

7-1. *Policy:* The Town Manager shall establish a uniform system for the classification of positions based on similarity of duties performed and the responsibilities assumed so that the same qualifications may reasonably be required, and the same schedule of compensation may be equitably applied to all positions in the same class. No employee may be appointed to a position not included in the classification plan, except in situations where there is a temporary, seasonal, or ad hoc staffing need; such a determination will be made by the Town Manager. A copy of the most current non-union classification shall be on file at all times in the Town Manager's office.

The classification plan shall cover and include all Town departments and positions in the Town service other than positions filled by popular election. The Town Manager shall establish classifications that relate to compensation.

7-2. Contents of the Classification Plan: The classification plan shall consist of the following:

(a) *Position Descriptions:* Each position shall have a written description. The description shall consist of a statement describing the purpose of the work, essential job functions and responsibilities; the required minimum knowledge, skills, training, abilities, experience and necessary special qualifications.

Position descriptions are intended to be representative of the positions in the class and provide illustrations of the type of work performed, and do not necessarily include all of the duties which may be performed. Position descriptions are not intended to be restrictive. The use of (or absence of) a particular illustration of duties shall not be held to exclude or limit the authority of a department head to assign other duties to employees in any class. Particular phrases or examples of typical duties are not to be singled out and used solely for determining job class.

Qualification statements in each position description establish desirable minimum requirements that should be met by an individual before being considered for appointment, transfer or promotion to a position in the class. Alternative combinations of education, training or experience are generally indicated in the position descriptions, but do not preclude other combinations deemed equivalent by the Town Manager.

(b) *Position Titles:* The title of position shall be the official title of that position, and shall be used for administrative purposes such as payroll, budget, financial and personnel forms and records. No person shall be appointed or promoted to any position in the Town under a title not included in the classification plan.

7-3. Responsibility: The Town Manager/Human Resource Director shall have the primary responsibility for the administration and day-to-day maintenance of the classification plan. The Town shall, under the policy direction of the Town Manager conduct the following:

(A) Complete studies of proposed new positions and recommendations to the Town Manager on: allocations to existing classes; establishment of a class of positions; or deletion of a class of positions.

(b) Provide for studies of existing positions when there has been substantial change in the duties and responsibilities that justify consideration of possible reclassification.

(c) Conduct periodic studies and request such assistance as may be needed to assure that the classification plan remains uniform and current.

(d) Require the submission of position analysis questionnaires or any other related information when considered necessary for the proper maintenance of the plan.

(e) Develop forms and procedures to determine the proper classification of each position.

(f) Make routine revisions to class description content such as additions and deletions of essential functions, qualification requirements and other such changes, provided however, that changes in compensation grades shall not be accomplished under this section.

(g) The Town Manager/Human Resources Director shall have custody of and maintain the master set of all approved position descriptions and their authorized compensation grades, which shall contain the date adopted, revised or amended.

(h) The Town Manager/Human Resources Director shall give all employees a copy of their appropriate position description when hired, and will furnish new descriptions if the position is changed in any way. They will also make all town class specifications available to any employee for review upon their request.

7-4. Classification of New Positions: The department head proposing the creation of a new position shall provide the Town Manager/Human Resources Director with a description of the essential functions and responsibilities; skills, knowledge, abilities, and other work performance requirements of a proposed position in sufficient detail to enable the Town Manager/Human Resources Director to recommend an appropriate classification.

Department heads shall promptly notify the Town Manager/Human Resources Director for the need of new positions and allow sufficient time for the required classification study.

Upon completion of the classification study, the Town Manager/Human Resources Director shall allocate the position(s) to an existing class, or if a suitable class does not exist, shall establish a new class in the classification plan.

There shall be no action to fill any new position in the town until it has been approved and budgeted for by the Town Manager.

7-5. Reclassification of Positions and Periodic Reviews: Positions may not be reclassified without a review and approval of the Town Manager. If a department

director feels that a reporting position has changed significantly, they may, in writing to the Town Manager, request a position analysis and grade review.

Established positions may be reclassified from one class to a different class when:

1. There have been significant changes in the actual duties and responsibilities through natural redistribution of workload, and;
2. The changes in duties and responsibilities are of a permanent nature, and;
3. The reclassification is based upon new or added elements in the job, and not the performance of the individual.

Established positions may not be reclassified when:

1. The added duties and responsibilities are minor in nature and would be a logical function of the class, or;
2. The added duties and responsibilities are to be performed for a period of 6 months or less, or;
3. The primary purpose is to raise the employee's salary.

When the pay grade of an existing class of positions is changed, the salary of all employees in the affected class shall be adjusted in the following manner:

- Employees, whose pay grade has been reclassified upward, shall be adjusted into the new minimum, or if their current salary is above the new minimum, to the first step which provides an increase over their current salary.
- An upward pay grade adjustment shall not place an employee's salary above the maximum rate of pay established for the job class.
- When the pay grade of a job class has been adjusted downward, the employee may continue to receive their current salary.
- Should the effective date of a pay grade adjustment coincide with the date an employee has been approved for a merit increase, the employee will first be adjusted into the new pay grade followed by the awarding of the merit increase.

The position analysis and grade review will be conducted with authorization from the Town Manager. This analysis may be conducted by the Human Resources Director or by a third-party independent compensation consultant trained in compensation and classification work.

If the Town Manager chooses to not conduct the review, they will reply to the requesting department director, in writing.

An employee whose position is reclassified into a higher-level position may be promoted into the position provided the employee meets the minimum qualification of the position.

Reclassification of a position shall not be subject to the grievance procedure.

8.0 Compensation Plan

8-1. *Policy:* The Town Manager/HR Office shall annually review a compensation plan for the existing classification plan. The compensation plan shall be directly related to the classification plan and shall consider:

1. The relative responsibilities between various classes, and;
2. Wage rates for comparative type of work found in public and, if appropriate, private industry, and;
3. Availability of qualified candidates for recruitment to the town, and;
4. Prevailing economic conditions in the labor market, and;
5. Fiscal policies of the Town, and;
6. Ratified labor agreements, and;
7. All employees shall be paid in accordance with the rates in the compensation plan.

8-2. *Coverage:* All employees shall be employed and paid in accordance with the rates established in the compensation plan for the position classification to which the appointment is made.

8-3. *Responsibility:* The Town Manager shall have the responsibility for the day-to-day administration of the compensation plan.

8-4. *Appropriations:* All positions are subject to budgetary appropriations.

8-5. *Cost-of-Living Adjustment.* A cost-of-living adjustment (COLA) may be made to the entire salary schedule (compensation plan) periodically including those employees at maximum grade pay rate, as recommended by the Town Manager and approved by the Board of Selectmen. To the extent possible, the COLA will be determined by the Department of Labor's Consumer Price Index (i.e. rate of inflation).

8-6. *Work Week/Payroll.* The Town uses a work week of Monday through Sunday. The weekly pay day and pay frequency (weekly, bi-weekly, etc.) shall be established by the Town Manager. All Town employees will receive paychecks on the established pay day unless complications prohibit payment (snow, storms, etc.) In this instance, paychecks will be issued to employees at the earliest possible date but not exceed six days per MGL c149 s148.

The Town agrees to deduct items authorized under Section 17A and 17B of Chapter 180 of the Massachusetts General Laws, as amended, and other items as authorized by the Town Manager (union dues, annuities, credit union, etc.). All newly hired employees shall participate in IRS Section 125 Plan.

8-7. *Termination:* Employees terminated from employment by the Town will normally receive their final paycheck on the date of termination. Employees voluntarily terminating their employment will receive their final paycheck on the next regularly scheduled payday following the date of voluntary termination. Final paychecks shall include any unused leave due the employee as provided elsewhere in this manual.

Money or Town property due the Town shall be collected through appropriate action.

In the event of the death of an employee, all wages, unused leave and travel expenses to which the employee is entitled shall be paid to the beneficiary listed on the employee's Payroll Information Form or, if none is listed, in accordance with prevailing federal and state laws.

All actions concerned with the payment of salaries and/or benefits in accordance with these rules shall be subject to the availability of legally authorized funds or other limitations as imposed by the Town or Town Manager.

8-8. *New Appointments:* New appointees to any position shall normally be paid at the minimum or entry rate of the compensation grade established for the position's class. The Town Manager may, however, compensate new appointees at a higher rate on the basis of the appointee's exceptional qualifications or a lack of qualified applicants available at the position's minimum rate. New appointees shall be required to participate in the Town's direct deposit program.

8-9. *Salary and Merit/Performance Increases:* An employee shall be eligible for salary increases as may be determined through the annual budget process and subject to appropriation. Progression of an employee along pay increments, or steps, within the salary range shall be based on merit. Merit increases may be awarded on a discretionary basis, upon recommendation of the Town Manager, as warranted by overall job performance, provided there are funds available for the increases. A merit increase shall not cause an employee to be paid more than the maximum rate of the pay range established for the position's class.

8-10. *Sunday and Holiday Work:* An employee who shall be required to work or to render service on a Sunday shall be paid the rate of two times their regular rate of compensation for all hours worked on said Sunday. This provision shall not apply to the employees of any department engaged in continuous or shift operations or whose duties or working schedule regularly requires service to be performed on Sunday.8-11. *Demotion.* An employee being reduced in job classification shall have their salary set at the first step in the new classification which exceeds their salary prior to the demotion; however, at no time may the employee be paid more than the maximum rate of the lower class.

9-4. *Consolidated Omnibus Budget Reconciliation Act of 1985 or COBRA (Enacted in 1986)*: On April 7, 1986, a new Federal law was enacted (Public Law 99 - 272, Title X) requiring that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end. This notice is intended to inform employees, in a summary fashion of certain rights and obligations under the continuation coverage provisions of the new law.

(a) Employees covered by one of the Town's health insurance plans have a right to choose continuation coverage if the employee loses his/her group insurance coverage because of a reduction in hours of employment or the termination of employment for a period not to exceed 18 months.

(b) Enrolled spouses of an employee covered by the Town's health insurance have a right to choose continuation coverage for any of the following reasons: the death of spouse; or, spouse becomes eligible for Medicare.

Under the law, the employee or a family member has the responsibility to inform the Town of a divorce, legal separation, or a child losing dependent status under the Town's health insurance. Department managers have the responsibility to notify the Town Administrator of the employee's death, termination of employment or reduction in hours, or Medicare eligibility.

9-5. *HIPAA*: The *Standards for Privacy of Individually Identifiable Health Information* ("Privacy Rule") establishes a set of national standards for the protection of certain health information. The U.S. Department of Health and Human Services ("HHS") issued the Privacy Rule to implement the requirement of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). The Privacy Rule standards address the use and disclosure of individuals' health information—called "protected health information" by organizations subject to the Privacy Rule — called "covered entities," as well as standards for individuals' privacy rights to understand and control how their health information is used. Within HHS, the Office for Civil Rights ("OCR") has responsibility for implementing and enforcing the Privacy Rule with respect to voluntary compliance activities and civil money penalties. Visit the HHS Privacy Rule section to view the entire Rule, and for other additional helpful

information about how the Rule applies. In the event of a conflict between this summary and the Rule, the Rule governs.

A major goal of the Privacy Rule is to assure that individuals' health information is properly protected while allowing the flow of health information needed to provide and promote high quality health care and to protect the public's health and well-being. The Rule strikes a balance that permits important uses of information, while protecting the privacy of people who seek care and healing. Given that the health care marketplace is diverse, the Rule is designed to be flexible and comprehensive to cover the variety of uses and disclosures that need to be addressed.

This includes avoiding all real and potential conflicts of interest. Town employees are prohibited from engaging in any conduct that could reflect unfavorably upon the Town. Town employees shall avoid any action, which might result in or create the impression of using public office for private gain, giving preferential treatment to any person, or losing complete impartiality in conducting Town business. Employees are expected to keep in mind that they are public employees and are to conduct themselves in a manner that in no way discredits the Town, public officials or fellow employees.

10-2. Receipt of Gifts: Employees are prohibited from soliciting any gift, gratuity, favor, entertainment, loan or any other item of monetary value from any person who is seeking to obtain business with the Town, or from any person within or outside the Town employment whose interests may be affected by the employee's performance or non-performance of official duties. In all matters relative to receiving or accepting gifts, employees shall refer to, and abide by, the Massachusetts Conflict of Interest Law, Ch. 268A.

10-3. Conflict of Interest: No employee shall accept, or agree to accept, either directly or indirectly, any favor, gift, loan, fee, service or other item of value, in any form whatsoever, from any organization or individual if it is intended or give the

appearance of rewarding or influencing the employee in carrying out his appointed duties.

No employee shall grant, in the discharge of his appointed duties, any improper favor, service, or item of value to any organization or individual if it is intended to give or gives the appearance of rewarding or influencing said organization or individual.

10-4. *Outside Employment:* In accordance with Mass. General Law, Chapter 268A, no employee shall maintain an outside business or financial interest, or engage in any outside business or financial activity which interferes with their ability to fully perform job responsibilities or furnish products, materials, or services to the Town.

Upon proper notification to and at the discretion of the Town Manager, an employee may engage in outside employment. However, no employee may engage in additional employment which, in any manner interferes with the proper and effective performance of the duties of their position, results in a conflict of interest or if it is reasonable to anticipate that such employment may subject the town to public criticism or embarrassment. If the Town Manager determines that such outside employment is disadvantageous to the Town, upon notification in writing by the Town Manager, the employee shall be given the option to resign from Town employment or their second job.

Any employee who engages in employment outside of their regular working hours shall be subject to call to perform their regular town duties first.

10-67. *Customer Service Expectations:* Williamstown employees must be fully committed to providing service excellence to every person who visits, works, or resides in the Town of Williamstown by embodying the organization's core values: ethics, inclusion, integrity, accountability, positivity, helpfulness and collaboration.

See Commonwealth of Massachusetts MGL 268A on Ethics:

10-8. *Prohibited Employment Relationships*: The hiring of relatives is prohibited if their employment results in creating a supervisor/subordinate relationship between a relative and an employee. If a direct supervisory or managerial relationship would be established, relatives of a currently employed worker cannot be considered as applicants for an open position. The Town will not consider hiring an employee's relative if that would create an actual conflict of interest or the appearance of a conflict of interest. This bars hiring or employing an employee's relatives in any position that has an auditing or management relationship to the employee's job.

- (a) *Definition of Relatives*: For the purposes of this policy, relatives include a spouse, parent, child, sibling, in-law, grandparent, grandchild, aunt, uncle, cousin, step-relative, or any individual with whom an employee has a close personal relationship, such as a domestic partner, co-habitant, or significant other.
- (b) *Marriage of co-workers*: Employees who marry or establish a close personal relationship can continue in their current positions as long as a prohibited employment relationship isn't created. If one of the prohibited situations does occur, attempts will be made to find another position within the Town to which one of the employees can transfer. All practical efforts will be made to arrange such a transfer at the earliest possible time. If accommodations of this nature aren't feasible, the employees are permitted to determine which of them resigns.
- (c) *Reporting*: Employees who become subject to this policy's provisions due to marriage or beginning of a close, personal relationship, must inform their supervisor or the Human Resources Director as soon as practical.

10-9. *Privileged Information*: Many Town employees deal with plans and programs of significant public interest. Employees must not use this privileged information to their own financial advantage, or to provide friends and acquaintances with financial advantages or with information, which could be used for financial advantage. If an employee finds that they have an outside financial interest, which could be affected by Town plans or activities, they must immediately report the situation to their superior. Each employee is charged with the responsibility of ensuring that they release only information that should be made available to the general public. Violation of privileged information or use for private gain can be just cause for discharge of the

employee as determined by the Town Manager, as well as a violation of the Conflict of Interest Law, MGL Chapter 268A Section 23.

10-10. *Town Property.* Employees shall not, directly or indirectly, use or allow the use of Town property of any kind for other than official activities.

Only authorized employees shall operate Town equipment and vehicles. Employees shall operate Town equipment and vehicles in a safe manner following local, state, and federal laws at all times. All operators of Town vehicles and equipment must hold a valid and appropriate Massachusetts operator's license. Employees are required to inform their supervisors of any change in status of their license. Suspension or revocation of an employee's operator's license may necessitate the demotion or discharge of any employee assigned to the operation of Town vehicles or equipment.

Employees should not use Town telephone facilities for personal calls when the placing of such calls would interfere with the employee's duties, would incur additional financial liability by the Town, or would interfere with the use of the facilities for official business. Any such use should be urgent, infrequent and of short duration.

Town employees are expected to use their home address to receive personal mail. Use of Town stationery or postage for personal mail is not permitted.

11.0 Disciplinary Policy and Procedures.

The provisions of this Article shall not be applied in an arbitrary or capricious manner. In some cases, however, actions or omissions, which have resulted or will result in harm to the community or members thereof, may require imposition of severe sanctions in the first instance.

Oral and written reprimands shall be entered into the employee's personnel file.

11-5. *Probation:* If the oral and/or written warning fails to correct the situation, the employee may serve a maximum three-month disciplinary probation at the discretion of the department head and/or Town Manager. 13.0 Policy on Harassment, Sexual Harassment and Workplace Bullying

13-1. *Introduction:* It is the goal of the Town of Williamstown to promote a workplace that is free of unlawful harassment, hate, sexual harassment, race/religion/gender discrimination, and hostile work environments in any form. The Town will not tolerate unlawful harassment, sexual harassment, and/or discrimination of employees occurring in the workplace, or in other settings in which employees may find themselves in connection with their employment. Further, any retaliation against an individual who has complained about unlawful harassment, sexual harassment, and/or discrimination, or retaliation against individuals for cooperating with an investigation of an unlawful harassment, sexual harassment, and/or discrimination complaint is similarly unlawful and will not be tolerated.

Social media may not be used to transmit or display ethnic or racial slurs, or any other comment, message, or image that offensively addresses age, race, sex, sexual orientation, genetic information, religion, national origin, disability, veteran status, marital status or other protected status in a manner that may be viewed as harassing, discriminating, or disparaging of others. Transmission of harassing, discriminatory or otherwise objectionable e-mail or files is strictly prohibited. The Town has the ability and the right to monitor such things as Internet web site visits, newsgroup discussions, chat room discussions, computer network use, and voice mail accounts.

The Town is committed to working together with its employees, constituents and stakeholders to create a safer, more integrated Town of Williamstown and Berkshire County as stated in Town Meeting Article 36. Williamstown always responds with best intentions and practices to not stay silent in the face of intolerance or hate based on race, religion, sexual orientation, gender identity, ethnicity, country of origin, disability or any other factor. The Town has a zero tolerance for such occurrences. The Town will work to acknowledge, address and act in a responsive manner to all forms of exclusion, hate, bigotry, intolerance and bullying. As such, a Town of Williamstown Investigative Policy is attached to these policies and procedures to help address such incidents should they arise.

13-2. *Definitions*

- A. Unlawful Discrimination – Unlawful harassment is unwelcome conduct that is based on race, color, religion, sex (including gender identity, sexual orientation and pregnancy), national origin, age (40 or older), disability, or genetic information. Harassment becomes unlawful where:
 - a. Enduring the offensive conduct becomes a condition of continued employment.
 - b. The conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

- B. Sexual Harassment - Sexual harassment is specifically defined in Massachusetts law and means sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature when:
 - a. submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decisions; or,
 - b. such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual's work performance by creating an intimidating, hostile, humiliating, or sexually offensive work environment.

- C. Discrimination – Discrimination is any decision that is made or action taken that is motivated by a bias because of an employee's age, disability, gender, gender identity/expression, genetics, military status, national origin or ancestry, race or color, religion, retaliation, sexual orientation, or political affiliation.

- D. Hostile Work Environment – A Hostile Work Environment is created when any unlawful discrimination becomes severe or pervasive, the endurance of which becomes a condition of continued employment.

Employees are protected from harassment and discrimination on the basis of their race, color, religion, national origin, ancestry, sex, age, handicap (disability), and participation in discrimination complaint-related activities, sexual orientation, gender identity, genetics, or active military or veteran status, and other protected identities.

Prohibited behavior includes slurs or other derogatory comments, objects, pictures, cartoons, or demeaning gestures connected to an employee's membership in a protected group.

To achieve our goal of providing a workplace free from unlawful harassment, sexual harassment, and/or discrimination, the conduct that is described in this policy will not be tolerated. Because the Town of Williamstown takes allegations of unlawful harassment, sexual harassment, and/or discrimination seriously, we will respond promptly to complaints of this type of conduct where it is determined that such inappropriate conduct has occurred, will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate up to and including termination.

This policy shall apply to all employees of the Town of Williamstown, MA. Any individual violating this policy shall be subject to appropriate discipline.

While this policy sets forth the Town's goals of promoting a workplace that is free of unlawful harassment, sexual harassment, and/or discrimination, the policy is not designed or intended to limit the Town's authority to discipline or take remedial action for workplace conduct which the Town deems unacceptable, regardless of whether that conduct satisfies the definition of unlawful harassment, sexual harassment, and/or discrimination.

13-3. *Discrimination:* Discrimination is any decision that is made or action taken that is motivated by a bias because of an employee's age, disability, gender, gender identity/expression, genetics, military status, national origin or ancestry, race or color, religion, retaliation, sexual orientation, or political affiliation.

13-4. *Unlawful Harassment:* Harassment is unwelcome conduct that is based on race, color, religion, sex, national origin, age (40 or older), disability or genetic information. Harassment becomes unlawful where: (1) enduring the offensive conduct becomes a condition of continued employment, or (2) the conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

13-5. *Sexual Harassment:* As defined above, sexual harassment is unlawful harassment based on a person's sex. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature, and/or offensive remarks about a person's sex. Both victim and the harasser may be either a man or a woman, and the victim may be the same sex. Under these definitions, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitutes sexual harassment.

The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a work place environment that is hostile,

offensive, intimidating, or humiliating to male, female, or non-binary workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct that may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- Sexual advances -- whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons;
- Leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into one's sexual experiences; and,
- Discussion of one's sexual activities.

13-6. Complaints: If an employee believes that he or she has been subject to discriminatory, unlawful, and/or sexual harassment, the employee has the right to file a complaint with the Town. This can be done in writing or orally. An employee wishing to file a complaint should contact the Department Head and/or Town Clerk and/or Town Manager. The Department Head and Town Clerk shall notify the Town Manager/HR Office upon receipt of a complaint. If employees are uncomfortable with making such reports to these individuals, they may make the report to any member of the Select Board.

13-7. Investigation: The Town will promptly investigate any and all allegations in a fair expeditious manner. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. Investigations will include a private interview with the person filing the complaint and with the witnesses. Interviews will also be conducted with the person(s) alleged to have committed the discriminatory, unlawful, and/or sexual harassment. All parties will be informed as to the results of the investigation. If it is determined that inappropriate conduct has occurred, the Town will act promptly to eliminate the offending conduct, and where it is appropriate the Town will also impose disciplinary action. The complaint form is attached to this personnel policy manual as an Attachment.

13-8. Disciplinary Action: If it is determined that inappropriate conduct has been committed by one of the Town's employees, the Town will take such action as is appropriate under the circumstances. Such action may range from counseling to termination from employment, and may include such other forms of disciplinary action as the Town deems appropriate under the circumstances.

13-9. State and Federal Remedies: In addition to the above, employees who believe that they have been subject to sexual harassment may file a formal complaint with

either or both of the following government agencies: The United States Equal Opportunity Commission, and the Massachusetts Commission Against Discrimination. Using the Town's complaint process does not prohibit employees from filing complaints with these agencies. - The employee receives a passing grade of "C" or better at the undergraduate level or a grade of "B" or better at the graduate level.

The employee shall disclose any other tuition aid received from government or other sources prior to receiving reimbursement from the Town.

Employees are strongly encouraged to take courses that will not interfere with their job responsibilities or their normal working hours. The department head or Town

In the event the employee is discharged or resigns from the Town before completion of the course, reimbursement shall not be due to the employee.

In the event the employee is laid off from town service prior to completing the course, the town shall reimburse the employee provided the employee's course work is in progress prior to the layoff and the course is satisfactorily completed in accordance with above.

14-3 Clothing Allowance Eligibility: All permanent full-time employees in the Department of Public Works and Police Department with the exception of department heads and their assistants, are eligible to receive a clothing allowance. Employees who work near or with dangerous chemicals are trained how to handle them properly. The Federal Occupational Safety and Health Act and state workers' compensation laws require employers to keep records and reports of illnesses and injuries on the job. All accidents, regardless of their severity, should be reported immediately to the Town Manager/HR Office.

- E. Within 15 calendar days after receipt of the appeal, the Town Manager or their designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting the Town Manager or their designee will respond in writing, and where appropriate in a format accessible to the complainant such as audiotape, with a final resolution of the complaint.
- F. All complaints received by the ADA Coordinator, appeals to the Town Manager and their designee and responses from the ADA Coordinator and the Town Manager or their designee will be kept by the Town of Williamstown for at least three years. Such documents will remain strictly confidential.

19-3 *Fitness for Duty Evaluation Policy*: It is the Policy of the Town to promote a safe and productive work environment for its employees and the citizens it serves by ensuring that its employees can safely perform the essential functions of their positions. This policy is to be construed in a manner consistent with applicable law, including the Americans with Disabilities Act.

19-3.1. *Purpose*: This policy establishes the standards, procedures, and safeguards under which the Town of Williamstown may require an employee to undergo a fitness for duty evaluation, and the applicable process pertaining to such evaluations.

19-3.2. *Application*: This Policy shall apply to all employees of the Town of Williamstown. Employees whose employment is governed by a collective bargaining agreement are subject only to the provisions of this policy that are not specifically regulated by law or their collective bargaining agreement. Situations governed by G.L. c. 152 (workers compensation) or G.L. c. 41, §111F (injured on duty leave for police and fire) may have different requirements.

19-3.3. *Procedures*

- A. Introduction – A fitness for duty evaluation constitutes a medical examination and therefore, in compliance with the Americans with Disabilities Act, any such examination is strictly limited to determining whether an employee can perform the essential functions of his or her position. Any such inquiry must be made with reference to the actual job duties of the individual who is to be examined. Any decision with respect to fitness must be made with consideration of whether the employee can perform the essential functions of the job.
- B. Grounds for Requiring a Fitness for Duty Evaluation – A department director or supervisor may submit a request to the Town Manager, requesting a fitness for duty evaluation be conducted when: (1) an employee’s conduct creates a reasonable belief that a threat to health or safety of the employee or others, or to Town property, exists; or (2) there is objective evidence that the employee cannot perform the essential job functions. The grounds for seeking a fitness for duty evaluation may become evident from a department director’s or supervisor’s observations and/or receipt of a reliable report of an employee’s

possible lack of fitness for duty. Observations may include, but are not limited to, difficulties with manual dexterity, memory, coordination, alertness, speech, vision acuity, concentration, response to criticism, interactions with co-workers and supervisors, outbursts, hostility, violent behavior, suicidal or self-harm statements, change in personal hygiene, and/or reasonable suspicion (via odor or observation) of drug or alcohol abuse.

- C. Medical Evaluation – Fitness for duty evaluations are performed by a Town-selected physician, paid for by the Town, and may include, without limitation, a health history, physical and/or psychological examination, alcohol and drug testing, and any medically indicated diagnostic studies. The purpose of the evaluation is to determine if the employee can perform the essential functions in a safe manner and if there is need for restrictions or accommodations. If it appears that the employee’s condition constitutes a disability, the Town will address any requested accommodations/modifications and whether there is a likelihood that the employee can perform the essential functions of the job with or without reasonable accommodations.
- D. Record Retention - An employee’s medical information obtained by the Town shall be maintained in a confidential manner in accordance with applicable law. When conducting a fitness for duty evaluation, the Town-selected physician will require the employee to sign appropriate consent forms that permit appropriate reporting as to the employee’s fitness, recommendations with respect to fitness, and any limitations and restrictions placed on the employee arising from the employee’s health condition. The Town shall not disclose information about any health condition of the employee to third parties without the written consent of the employee, or where disclosure is otherwise permitted by law.

20.0 Holidays

20-1. *Coverage*: All full-time and permanent part-time employees who have not been required to work shall receive compensation for their regularly scheduled hours that fall on a holiday. An employee who is required to work on a holiday shall receive compensation equal to twice their regular rate of pay for all hours worked. If the hours are less than the holiday hours would have been, the difference shall be paid at their employee’s regular rate of pay in addition to the compensation for hours worked. Contract and Temporary employees who work under 20 hours per week, are not eligible for holiday compensation.

20-2. *Recognized Holidays*: The following holidays shall be recognized by the Town on the day on which they are legally observed by the Commonwealth of Massachusetts, and on these days’ employees, without loss of pay, shall be excused from all duty except in cases where the appointing authority determines that the employee is required to maintain essential Town services. The Town Manager shall notify employees of the holidays to be recognized by the Town during the upcoming calendar year on or before January 1st of each year.

The following shall be deemed paid holidays:

New Year's Day
Martin Luther King Day
President's Day
Patriot's Day
Memorial Day
Juneteenth Day
Independence Day
Labor Day
Columbus Day
Veteran's Day
Thanksgiving Day
Day After Thanksgiving
Christmas Day

As is customary for municipal offices in the Commonwealth of Massachusetts, holidays falling on Sunday are legally observed on the following Monday. Holidays falling on a Saturday are legally observed on the preceding Friday.

21.0 Vacation

21-1. *Coverage:* Vacation pay is granted to all full-time and permanent part-time employees regularly working twenty or more hours per week. In January of each year, the Town shall notify each employee of their vacation entitlement for the forthcoming year through the Town's payroll checks.

21-2. *Vacation Policy:* Vacation leave shall be credited to each eligible employee on January 1st of each year per the schedule shown below. Where an employee, by virtue of additional years of service, becomes eligible for additional vacation leave during the calendar year, the additional leave shall be credited to them on their anniversary date. Vacation pay is granted to all full-time employees for each vacation year (calendar year) completed in accordance with the following plan:

Completed Years of Service:	Days of Vacation Leave:
At least one (1)	10
At least two (2)	11
At least five (5)	12
At least six (6)	13
At least eight (8)	15
At least ten (10)	18
At least thirteen (13)	20
At least sixteen (16)	22
At least eighteen (18)	24
At least twenty (20)	26

21-3. *Scheduling and Use:* Vacation must be taken in the calendar year in which it was credited unless prior approval has been received from the Town Manager to carry it forward to the next calendar year. In no case may more than ten days of leave be carried forward. The leave carried forward must be used by June 30th of the year to which it was carried forward. Unused leave is forfeited.

Should circumstances arise which prevent an employee from using vacation leave, the employee may petition the Town Manager for payment in lieu of such leave. Said payment in lieu may be for periods of ten days or less, and shall be subject to fund availability. The Town Manager's decision regarding such petitions shall be final.

Employees may use one week of vacation during their first year of employment with supervisor approval.

Vacations shall be scheduled with the prior approval of the employee's department head. Vacation shall be scheduled in one week blocks as often as possible. The minimum use of vacation leave permitted at any one time will be 1/2 day.

Employees entitled to more than two weeks' vacation may generally take only two weeks consecutively. However, with the approval of the department head, exceptions may be made to allow the use of longer periods of time.

Whenever an employment is terminated, the employee shall be paid for all unused vacation leave at the time of the employee's termination. The pay rate used for the purposes of the calculation described above shall be the employee's pay rate at the time of his termination.

Employees who deployed for military service and return to the Town's employ at the completion of such deployment shall be given credit towards vacation for the time in service.

Supervisors will make every effort to allow employees to take their vacation when they wish. However, the supervisor reserves the right to deny vacation for a specific period if it is not deemed to be in the best interest of the Town. When an employee requests vacation leave, the supervisor and/or appointing authority will approve vacation requests for such time(s) that best serves the public interest.

For the purpose of recruiting experienced staff, the Town Manager may authorize up to five additional days of vacation leave for a new employee who has a minimum of four years prior experience in a related position. The additional days authorized shall continue to be credited to the employee, in addition to the leave authorized by the table above, on an annual basis during the employee's term of employment with the Town.

22.0 Sick Leave

22-1. *Coverage:* Full-time and part-time employees regularly working 20 or more hours per week.

22-2. *Policy:* The intent of the sick day policy is to provide salary continuation during an employee's reasonable period of absence due to bona fide illness or injury. An

employee shall be entitled to sick leave only when the employee is incapable of performing duties due to personal sickness, injury or a quarantine by public health authorities. At the discretion of the Town Manager, sick leave with pay may also be granted for serious injury or illness of the employees' spouse, children, parents, brothers, sisters, or grandchildren.

22-3. *Accrual. Full-Time Employees:* Each full-time employee shall accumulate sick pay at the rate of one-and-one-quarter (1.25) days for each month of employment, not to exceed 15 days per calendar year.

Permanent Part-Time Employees: Part-time employees shall be entitled to sick leave on the same basis as full-time employees, provided, however, that such leave shall be prorated according to the number of hours of work per full-time week in which such employee is required to work. Contract employees are not eligible for sick pay.

New employees on probation may accrue but not use sick leave until their probationary period has been satisfactorily completed.

Accruals will be credited as of the last working day of each month. Sick leave shall not be accrued for partial months of service, with the following exceptions. Persons employed prior to the 16th of the month shall accrue sick leave from the 1st of that month. Person employed after the 15th of the month shall accrue sick leave from the 1st of the next month.

Unused sick leave will accumulate from year to year without limitation.

22-4. *Extension of Sick Leave:* Extended sick leave may, at the discretion of the Town Manager, shall be granted to an employee after all of an employee's sick leave and vacation leave has been used. Such advance of sick leave will only be made when there is every expectation of the employee's return to active employment with the opportunity of earning repayment credits. Extended sick leave in excess of sixty days in one calendar year shall require approval of the Select Board.

22-5. *Notification:* Sick leave will commence on the date that notification of the employee's sickness, injury or quarantining is given to the department head by the employee or the employee's family or physician. Notification should be given as soon as possible, but in any case, within 1 hour after the regularly appointed starting time of the employee in order to entitle the employee to sick leave credit for the day. Notification should include the general nature of the illness or injury, length of anticipated absence, and expected date of return.

22-6. *Certification of Illness:* After five consecutive days of absence or after a series of repeated absences during the years of employment, a department head may request a physician's statement, which certifies the employee's inability to perform normal work duties. Additionally, the department head may arrange for a Town-retained physician to examine an employee and submit a medical evaluation. If certification cannot be provided to the satisfaction of the Town Manager, the employee's absence will be considered an unauthorized absence without leave.

The medical certification should include a description of the employees' illness or injury and the physician's estimate of the day on which the employee will return to duty. If no estimate of return is possible, the employee, prior to their return to duty, will be required to obtain a medical certification to do so.

22-7. Sick Leave Bank. A Sick Leave Bank program has been established to assist eligible permanent employees during medical emergencies.

- A. General Policy - Permanent full and part-time employees who have depleted all of their accumulated sick leave benefits due to an extended illness or injury may be eligible to receive sick leave days (hereinafter referred to as "benefit days") from the Sick Leave Bank (hereinafter referred to as the "Bank") under the terms and conditions of this section.
- B. Eligibility - Any permanent full or part-time employee who earns sick leave may contribute to and/or receive benefits from the Bank. Participation in the Bank shall not affect employee's eligibility for sick leave buy back or other sick leave incentive programs, exclusive of sick days previously donated to the Bank.
- C. Contributions - Any permanent full or part-time employee who earns sick leave may contribute sick leave to the Bank in response to a notification of need from the office of the Town Manager. Each employee's contribution shall be limited to one regular workday per notification. Contributed days shall be placed in the Bank in the order in which written donations are received by the Town Accountant. Contributed time shall be paid out from the Bank in the order received so as to complete the beneficiary's regular pay period.

In the event that greater contributions are received than required, or that time remains in the Bank after the beneficiary's need has expired, the unused time may be left in the Bank or returned to the original donor in accordance with the order of unused contributions at the election of the donor.

- D. Benefits - Any permanent full time or part-time employee who earns sick leave under these procedures/policies/regulations and who has exhausted their personal, sick, and vacation time may apply for sick leave from the Bank by submitting a written application to the Town Manager, accompanied by a statement of the applicant's physician testifying to the illness or injury.

Benefit days may be granted for any number of days, but in no event shall the Town Manager grant more than 10 benefit days per application. Any addition to the number of benefit days previously granted shall require a new application.

Unused benefit days from the Bank shall be returned to the Bank upon the employee's return to work or termination of employment.

Applications shall be processed and considered in the order of receipt. In the event that the approval of one or more applications for benefit days would result in the depletion of the Bank, the Town Manager shall assign the benefit days remaining as equitably as possible among those members whose applications are then pending.

E) Criteria - In determining the granting of benefit days, the following criteria shall be applied:

- Employee' s past usage (documented abuse) of sick leave
- Employee must be unable to perform their normal job, confirmed by a written doctor's statement.
- Applications for Donation of Sick Bank Days are located in the Town Manager's office.

22-8. *Notice of Available Leave:* In January of each year, the Town shall notify each employee of their sick leave accrual as of the 1st of the year through the Town's payroll checks.

22-9. *Sickness During Vacation:* An employee who becomes ill while on vacation generally may not change such illness to sick leave. However, should the illness exceed 3 days and the employee submits a physician's certificate describing the nature of the illness to their department head, consideration of a change to sick leave will be made by the department head.

22-10. *Use of Vacation Leave:* At the discretion of the department head, an employee's absence on account of illness or injury may be charged to vacation leave if the employee's sick leave has been entirely depleted. This does not apply to illness or injury for which an employee is entitled to Workmen's Compensation.

22-11. *Workers' Compensation:* Employees injured on the job and receiving Workers' Compensation shall upon the request be granted sick leave with pay (provided they have sick leave credits available) in an amount that when added to their Worker's Compensation payment, will result in payment of the regular salary for their classification and grade.

If employees choose this option, they will continue to receive a weekly payroll check from the Town in the amount of their regular salary. They must then endorse any Workers' Compensation checks they receive and submit them to the Town Manager's office as soon as possible.

22-12. *Termination and Retirement:* Eligible employees shall, upon proper notification to the Town, receive payment for up to 60 days of unused sick leave. The pay rate used for the purpose of this payment shall be the employee's pay rate at the time of his termination. Proper notification shall mean written notice of intent to retire submitted to the employee's department head at least 60 days prior to their retirement date or, in the case of death, presentation of a death certificate.

Eligible employees are those who retire on or after 65 years of age, those who retire after 19 or more years of service to the town or those whose death occurs while employed by the Town.

23.0 Personal Days

23-1. *Policy:* All regular, full-time employees in continuous employment who have completed six (6) months of service, shall be entitled to five (5) personal days each fiscal calendar year. First year employees will be credited 1.25 days of personal leave for each 3 months of employment. Any unused personal time cannot be carried over into the next calendar year. Employees must give their supervisor 48 hours' notice, when requesting personal time.

24.0 Overtime/Compensatory Time

24-1. *Overtime:* Payment for overtime shall be in accordance with the terms of the Fair Labor Standards Act, as amended. If an assignment requires work in excess of forty hours per week, or eight hours per day, except for emergency situations, all overtime work must be authorized in advance by the employee's supervisor. Town employees may be called upon and required to work overtime if in the opinion of the department head it is necessary to meet the demands of the job being performed.

Any non-productive time off such as sick leave, personal leave, vacation leave, or any other non-productive time, whether paid or unpaid, shall not be counted as time worked in calculating overtime pay. Holidays, Sundays and Saturdays worked shall be counted in calculating overtime pay.

Employees who repeatedly refuse to work overtime without valid justification may be subject to disciplinary action.

24-2. *Compensatory Time:* Professional, Executive and Administrative personnel shall be eligible for Compensatory Leave but, due to the nature of their responsibilities, not on an assumed hour for hour basis and may not demand compensatory leave due as a matter of right. The Town Manager shall make all determinations of Professional Executive and Administrative Personnel leave due, and their ruling shall be final.

All other employees may substitute compensatory time for overtime pay. The hours of compensatory time to be awarded shall be calculated in the same manner as were the hours of overtime pay. One hour of overtime shall equal one and one-half hours of compensatory time.

Requests for compensatory time must be submitted in writing, and must be approved in advance by the department head. Approved compensatory time must be used as soon as possible and in no case later than one hundred twenty (120) days from the day the compensatory time was earned.

Compensatory time may be applied to vacation leave and to sick leave after all available sick leave credits have been expended.

It shall be the responsibility of the department head to maintain complete compensatory records on all employees and to accurately record dates and hours of overtime worked and the date compensatory time is taken. Such information must be attached to the payroll time sheet of the pay period in which the overtime was worked and/or compensatory time taken.

24-3. *Flexitime Policy*: Williamstown's policy is to give employees the opportunity to request flexitime arrangements suited to their individual needs. Flexitime arrangements allow employees to choose when they begin and end their work days.

24-4. *Flexitime Eligibility*: Full-time employees who have completed at least six months of employment are eligible to work flexitime. Employees who have been disciplined within the last 12 months can't participate in a flexitime arrangement.

24-5. *Flexitime Requirements*: Employees interested in flexitime must discuss such arrangements with their supervisors. If flexitime is feasible and employees are eligible, employees must propose specific arrangements using a "Flexitime Scheduling Request and Evaluation Form," which is available from the Town Manager/HR Office.

Flexitime arrangements are approved by the supervisor and the Town Manager on a case-by-case basis. Flexitime arrangements might not be feasible within some departments or for certain positions within departments. Seasonal or cyclical changes in workloads also might restrict the ability of departments to offer flexitime during certain times of the year. Supervisors initially determine feasibility of specific flexitime arrangements, with final approval by the Town Manager.

24-6 *Remote Work Policy*: Certain positions within the town allow for the occasional option to work remotely. If an employee is looking to work remotely, they will need to request authorization from their department head. Remote work is entirely at the discretion of the department head and shall not be construed as a right. If the department head determines they are allowed to work from home, the employee is expected to work as though they are in the office and be available during normal business hours. Working remotely does not constitute as free personal time, and if an employee is found to not be working as expected, they will lose the privilege of remote work.

When utilizing town equipment from home, the employee is expected to follow all policy and procedures outlined in the Acceptable Use section of this manual.

Violation. If an employee abuses the use of town equipment or has been deemed to violate these policies, they will no longer be allowed for remote work and can be disciplined up to and including termination of employment.

25.0 Bereavement Leave

25-1. *General Policy*: Full-time and part-time employees, who are eligible, shall be entitled to be excused from duty with pay for not more than four days to attend a funeral and for other personal business caused by death in the immediate family. The members of the immediate family shall include the following: parent, child, spouse, brother, sister,

step children, grandparent, grandchild, in-law, or any other person residing in the same household as the employee. No payment shall be made for any day's absence during the bereavement period in which the employee is not regularly scheduled to work, e.g. Saturday, Sunday, or holidays. Portion of unused bereavement leave may be used for probate court hearings, or will readings, as long as two (2) days advance notice is given to the department director. If requested in writing, the Town Manager may grant bereavement leave for relatives or family members not previously listed.

26.0 Military Leave

26-1. *General Policy:* Federal and state laws require that veterans and reservists be granted certain employment rights. The Town of Williamstown will comply with all applicable laws and regulations governing initial active duty for training, inactive duty training (such as weekend drills) and temporary and long-term active duty. The Town has accepted MGL Chapter 33 Section 59 for governance in Military Leave matters for all Town employees.

27.0 Jury Leave

27-1. *General Policy:* Any Town employee called for jury duty shall be paid their regular compensation (excluding overtime) for jury service. Employees shall be required to furnish to the Town a certificate of juror service issued by the Commonwealth of Massachusetts. An employee who serves more than three days will be compensated his/her regular compensation by the Town, but the employee must turn over to the Town any monies received from the Commonwealth as compensation for jury service. Where juror service is canceled or an employee is released from jury duty early, the employee is expected to come to work whenever it is feasible to do so.

For purposes of this section, regular employment shall include part-time, temporary, and casual employment as long as the employment hours of a juror reasonably may be determined by a schedule or by custom and practice established during the three-month period preceding the term of service of such juror.

A holiday occurring during jury duty shall not entitle an employee to additional day of leave or additional compensation for the holiday. However, if the employee was not required to work on the holiday, they may retain all jury fees paid to them.

28.0 Family and Medical Leave Act

28-1. *Coverage:* In Massachusetts, to be eligible for family and medical leave, employees must be eligible for leave under the federal Family and Medical Leave Act. Eligible employees can take up to 24 hours per year of family and medical leave to accompany a son, a daughter, or an elderly relative to routine medical or dental appointments, such as office visits for checkups or vaccinations, or accompany an elderly relative to appointments for other professional services related to the relative's care, such as interviews at nursing or group homes. Employees can take family and medical leave on an intermittent basis or reduced work schedule. Employees must give at least seven days' advance notice of an anticipated need for leave; if the need for leave is unexpected,

employees must give as much notice as practicable. The Town can require employees to supply signed, written certifications of their need for leave.

28-2 *Compensation*: Family and medical leave can be unpaid, but substitution of paid leave can be required or selected.

28-3. *Eligibility*: All employees who have worked for the Town for at least twelve months and provided at least 1,250 hours of service during the twelve months before the leave is requested (eligible part-time employees' leave will be prorated) is entitled for up to a total of 12 unpaid work-weeks for qualifying events. If an employee does not satisfy these eligibility requirements, such employee, if they have completed the initial probationary period, shall be eligible instead for an eight (8) week parental leave for the purpose of giving birth or adopting a child, in accordance with Massachusetts law.

28-4. *Policy*: The Town will grant leave of up to a total of twelve (12) workweeks during any twelve (12) month period to an eligible employee for:

- (1) the birth, placement for adoption or foster care for a child and to care for such child;
- (2) the care of the employee's spouse, child or parent who has a serious health condition;
- (3) the employee's own serious health condition that disables the employee from performing the functions of the employee's position .

Employees can take FMLA leave for their biological, adopted, or foster children, stepchildren, legal wards, or children for whom they stand in place of a parent (*in loco parentis*). For example, employees stand in loco parentis if they provide day-to-day financial support for their same-sex partner's adopted child or if they provide daily care for their grandchild. Children must be under age 18, unless they are incapable of self-care because of mental or physical disabilities (as defined under the federal Americans with Disabilities Act) at the time that FMLA leave begins.

Employees can take FMLA leave for their biological, adoptive or foster parent or stepparent or a person who stood in place of their parent (*in loco parentis*) for them when they were children. Employees can't take FMLA leave for parents-in-law.

FMLA leave for serious health conditions doesn't cover short-term illnesses that are normally covered by the Town's sick leave programs. Conditions such as the common cold, flu, ear infections, upset stomach, minor ulcers, and headaches (other than migraines) aren't considered serious health conditions. Restorative dental or plastic surgery after injuries, mental illnesses, or allergies can be considered serious health conditions under certain circumstances. Parental leave runs concurrently with FMLA leave.

28-5. *Benefits*: The Town recognized holidays are paid as holiday leave if they occur during the time an employee is out on FMLA. Employees accrue vacation, sick, and personal time during leave. While FMLA leave is unpaid, the employee may elect to use paid time off for the purposes of continuing wages. In the event that the employee uses

paid time off, the employee shall use sick time first, then vacation and personal time if they exhaust their paid sick time.

The Town maintains group health plan benefits for employees on FMLA. Employees must pay their premium copayments while on leave. Employees who don't return to work at the expiration of their leave, the Town may be entitled to recover the cost of maintaining the employee's health insurance, as long as failure to return to work is for a reason other than continuation, reoccurrence or onset of a serious illness of the employee, spouse, son, daughter, or parent or other circumstances beyond the employees' control.

Employees who return from FMLA will be reinstated to their former positions or to positions with equivalent pay, benefits and other employment terms and conditions.

Taking FMLA does not count as a break in service for pension or retirement plan purposes.

The Town's complete Family and Medical Leave Policy and Act is available to employees through the Town Manager/HR Office.

29.0 Parental Leave

29-1. *Policy:* Eligible employees can take parental leave for the birth of their child and to care for their newborn child; or the placement of a child with them for adoption or foster care.

29-2. *Amount of Leave:* Employees can take up to 3 months of parental leave in a 12-month period for the birth of a child or placement of a child for adoption or foster care. If two spouses or domestic partners work for the Town, they can take a combined total of *6 months* of parental leave (3 months per parent).

If employees are eligible to take paid parental leave and unpaid family leave under the federal Family and Medical Leave Act, the paid parental leave runs concurrently with the FMLA leave.

29-3. *Requesting Parental Leave:* Employees requesting parental leave must give 30 days' advance notice to their supervisors. Employees who can't provide at least 30 days advance notice of their need for leave (for example, because of a change in circumstances or a medical emergency) must notify their supervisors as soon as practicable.

Employees taking parental leave must provide medical certification of the need for leave for the birth of a child or provide certification of adoption or foster care of a child. Employees must complete and submit certifications to Human Resources within 7 calendar days from the date leave begins.

29-4. *Scheduling Parental Leave:* Parental leave can be taken all at once or, under certain circumstances, on an intermittent or reduced leave schedule. Intermittent leave is parental leave taken in separate blocks of time. A parental leave reduced leave schedule is a work schedule that reduces employees' usual number of working hours per workday or

workweek. Employees will be informed whether they can take intermittent leave or a reduced leave schedule when they apply for parental leave.

Employees who request intermittent leave or a reduced leave schedule must arrange medical treatments and appointments to minimize work disruptions. The Town can transfer such employees temporarily to positions that permit them to take intermittent leaves or reduced leave schedules with limited work interruptions.

29-5. *Pay/Benefits*: The Town recognized holidays are paid as holiday leave if they occur during parental leave. Employees accrue vacation, sick, and personal time during parental leave. If an employee files for FMLA leave while on parental leave, the employee may elect to use paid time off for the purposes of continuing wages. In the event that the employee uses paid time off, the employee shall use sick time first, then vacation and personal time if he/she exhausts his/her paid sick time.

The Town maintains group health plan benefits for employees on parental leave. Employees must pay their premium copayments while they are on parental leave. Employees who don't return to work from parental leave and those who lose coverage due to nonpayment of premium copayments can continue their group health insurance coverage under COBRA.

Employees who return from parental leave will be reinstated to their former positions or to positions with equivalent pay, benefits and other employment terms and conditions.

Taking parental leave does not count as a break in service for pension or retirement plan purposes.

Where leave is not foreseeable and the employee's notice is verbal, the employee shall complete and submit a written notice as soon as possible.

30-5. *Substitution of Paid Leave:* The employee may elect or the Town may require the employee to substitute any of the employee's accrued paid vacation leave for any of the small necessities leave.

31.0 Leave of Absence

31-1. *Coverage and Policy:* The Town Manager may grant leaves of absence without pay to all employees who have satisfactorily completed their probationary period. In reviewing requests for leave, consideration shall be given to:

- The nature of the reason for the request; and
- The employee's work record; and
- The impact the employee's absence will have on the town

Leave will not be granted if there is any indication that the employee plans to seek or accept work elsewhere during the time of leave. The leave will be immediately canceled if the employee accepts a position elsewhere.

31-2. *Procedure for Request for Approval:* All requests for leave must be in writing. Requests for leaves of two (2) or less weeks may be approved by the department head, with the exception of medical leaves which must be approved by the Town Manager. Requests for leaves longer than two (2) weeks must be approved by the Town Manager.

31-3. *Medical Illness:* Employees unable to work due to sickness or injury shall use other accrued leave in accordance with the provisions of these policies. Once an employee has exhausted all accrued and advanced sick leave and vacation leave, they may request a medical leave.

During a medical leave of absence, it shall be the responsibility of the department head to determine that a disabling condition does in fact prevent the employee from discharging regular duties. Such determination shall be made in accordance with the provisions covering sick leave in this policy manual.

31-4. *Status upon Return:* The period of absence shall be included in an employee's time of continuous service. The pay grade of an employee returning from a leave of absence shall be the pay grade, which the employee was receiving immediately prior to the leave, if the employee is returning to the same position. If the employee is not returning to the same position, they will be placed in the pay grade of the new classification, which most nearly equals their pay grade prior to their leave.

31-5. *Benefit Coverage:* During leaves of absence, sick and vacation leaves will not accrue to the employee's account. During leaves of absence, the town will continue to pay its share of an employee's health and life insurance premiums for the first thirty (30) days of the leave. After this period has expired, the employee has the option of paying the full premium cost of their health and life insurance policies, or dropping the insurance coverage. If they choose to pay the full premium, they must notify the Treasurer's office so that appropriate action can be taken.

31-6. *Absence Without Leave:* An employee who is absent from duty shall report the reason for his absence in accordance with the rules and regulations prescribed by this manual. An unauthorized absence not reported in a timely manner shall be considered absence without leave, and no compensation shall be made for the period of such an absence. Additionally, such an absence may result in disciplinary action against the employee on part of the Town.

32.0 Workers' Compensation

32-1. *Policy:* The Town of Williamstown is committed to providing a work environment that is safe for all employees. If a work-related injury occurs, the procedures contained within must be followed to ensure compliance. This policy applies to all Town employees, excluding public safety employees (full-time police officers). For public safety employees, please refer to their collective bargaining agreement.

32-2. *Procedure:* The first priority after an accident or injury is to assure that the employee involved receives the first aid that is necessary. If medically appropriate, 911 should be called immediately. Employees with life threatening work-related injuries

should be taken to the nearest emergency room at the hospital. After an employee is released from the emergency room, employees must schedule an appointment with the Town's medical provider. Employees may elect to see their own medical provider instead; if the employee elects to see their own medical provider, the employee must inform the provider that they are being seen for a work-related injury.

32-3. *Reporting*: An employee injured on the job must report the injury to their supervisor and fill out an accident report. The accident report begins the claims process and should be done immediately. Accident reports must be submitted to the Town Manager/HR office within 24 hours of the emergency. If the employee is unable to fill out the accident report due to the injury, the employee's supervisor is responsible for filling out the accident report and submitting it to Town Manager/HR. The Town will not be able to process worker's compensation claims or lost wages without an accident report.

A "First Report of Injury" and a "Supervisor's Accident Report" must be completed and signed by the department head or his designee for each accident. The original and two copies of the "First Report of Injury" are to be sent to the Town Manager/HR Director's office as soon as possible to comply with the requirement that the Department of Industrial Accidents be notified within 48 hours. The original "Supervisor's Accident Report" must be sent within 72 hours of the accident to the Town Manager/HR Director's office to enable compliance with the Department's requirements that the supervisors report be filed with them within one week of the accident.

A "First Report of Injury" must be filed with the Berkshire County Board of Retirement by the Town Manager/HR Director's office within ninety days.

All accidents will be investigated to determine cause so that contributing factors can be corrected to prevent future accidents.

32-4. *Benefits*: Workers' Compensation Benefits, consistent with the provisions of the General Laws, Chapter 152 (including Sec. 69) shall be provided to all employees.

At the department heads discretion, subject to the availability of light work, employees will be assigned suitable light work as long as they are unable to perform regular job duties due to injuries or illness.

Employees should not pay for any medical services or prescriptions while a determination as to work relation is pending or after a determination that an accident is work related has been made. All bills should be submitted to the supervisor or should be billed directly to the Town.

Bills will be reviewed by the insurance carrier for applicability to the accident and propriety of charge.

Employees unable to work for five or more days will receive payments from workers compensation. If the employee has available sick time, it may be used to supplement disability payments in accordance with the Sick Leave section of this manual.

For reporting purposes, time lost from work shall be charged to sick leave until the employee has lost five days, at which time all time lost to disability, including the first five days, shall be charged to Disability Time. If the employee is out less than five days, the total time lost is charged to sick time.

Employees who are in disagreement with any findings of the insurance carrier should contact their supervisors or the Town Manager/HR Director. If the employee remains dissatisfied with the findings, he may appeal to the Department of Industrial Accidents in accordance with the provisions of Chapter 152 of the Massachusetts General Laws.

32-5. *Medical Reports:* The Town Manager/HR Office shall file all accident reports with the insurance carrier. The insurance carrier is responsible for determining if an accident is employee related.

It is the responsibility of the department head to obtain regular reports which include the extent of the disability, expected duration of disability and other information that may be required. In cases involving absence of one week or longer, periodic updates from the employee's physician shall be obtained at least bi-weekly.

It is the responsibility of the employee to ensure that medical reports are provided as requested by the department head or Town Manager/HR Director.

At the discretion of the department head, with the concurrence of the Town Manager, examination by an independent physician appointed by the Town Manager may be required. The expense of such examination will be borne by the Town.

Any employee returning to duty who has been absent more than one week must obtain a certification from their physician certifying their ability to do so. The certificate should also indicate any physical limitations the employee has acquired as a result of the injury, if any.

32-6. *Lost Time:* Each department will designate an employee who will communicate to the Town Manager any and all lost time from a work related incident. Once an employee is absent five (5) days due to an industrial accident, and once said employee will be out of work as determined by a medical provider for a longer period of time, the employee will be placed on worker's compensation benefits in accordance with MGL Ch. 152. These five (5) days will be paid out of the employee's accrued sick leave benefit. If the employee remains out of work for a continuous twenty-one (21) days, those five days will be reinstated to the employee's leave bank.

In accordance with MGL Chapter 152, the employee may supplement their regular weekly worker's compensation wage with accrued benefit leave (sick, vacation, personal time), up to, but not exceeding, typical weekly wages.

33.0 Retirement

33-1. *Policy:* All employees (as defined by the Berkshire County Retirement System) must join the System, pursuant to Mass. General Laws and other Special Acts of the

General Laws. This is a contributory retirement system. Retirement age is mandated by the System for its members. The Retirement Board has its own rules and regulations, and employees should contact the Retirement Board for assistance in choosing a retirement option. The Retirement Board also notifies employees annually of their account status. Note that eligibility for and participation in the retirement system is governed by MGL c. 32 and the Retirement Board, not the Town.

33-2. *Health Insurance*: The options of employees that are qualified to retire are dependent upon the age of the employee upon retirement and their eligibility under Social Security. Generally, the Town will continue to pay its percentage of an employee's premium upon retirement, and, should the retired employee predecease his spouse, offer to continue coverage for the spouse, although the spouse in such instances would be responsible for the entire premium. Employees should contact the Town Manager/HR Director at least six months prior to retirement, or their or their spouses 65th birthday, for an explanation of the employees' health insurance options.

34.0 Travel

34-1. *Policy*: In the event employees are required to use their own vehicle to conduct business for the Town, they must obtain authorization from their supervisor or department head. Once that authorization has been given, the employee will be reimbursed for mileage at the current rate approved by the Internal Revenue Service, as well as tolls, hotel stays, parking fees, and cost of meals. In order for an employee to receive such reimbursement, a travel voucher and a "monthly Mileage Expense Report" containing all information about mileage, destination, date, reason for travel and signature of supervisor or department head must be completed before reimbursement can be made. Any proposed travel out of state is subject to prior approval and authorization by the Town Manager or other designee, in the case of employees under the jurisdiction of elected boards or commissions.

35.0 Acceptable Use Policy – Computer, Technology, Email, Cell phone, Internet, Social Media.

35-1. *Policy*: The Town of Williamstown may provide email and/or internet access to employees who are connected to the municipal network server at the Town Offices and, additionally, to various employees in other town buildings. The purpose of providing these services to employees is to improve communication between departments and to provide the means to communicate and obtain information via the Internet. These services shall be used to improve the efficiency and effectiveness of municipal operations. Access and Control of the Town's technology resources, equipment and information shall be as follows:

The Town has these established policies to set the standards for the proper and allowed uses of the Town's telecommunications systems including telephones, email, facsimile machines (faxes), cell phones, and the internet, including social media. The use of these capabilities and equipment is subject to the same management oversight as any other employee activity.

Email: Email is considered a public record and as such is subject to the requirements of the Public Records Law (M.G.L. c 66). Federal courts have also held that electronic mail is considered a record for purposes of the Federal Freedom of Information Act.

Appropriate Use: E-mail and related online services are the property of the Town and are to be used for business matters directly related to the operational activities of the Town and as a means to further the Town's objective to provide efficient, complete, accurate, and timely services.

Users shall act professionally, properly identifying themselves, and shall ensure that they do not misrepresent themselves or the Town.

The internet, social media and telecommunications systems shall not be used for:

- personal gain or to conduct personal business, political activity, fundraising activity, or charitable activity;
- the transmission of materials used for commercial promotion, product endorsement or political lobbying;
- to promote discrimination based on race, color, national origin, age, marital status, sex, political affiliation, religion, disability or sexual preference; to promote, resulting in, or contribute to sexual harassment; or to promote personal, political or religious business or beliefs;
- for any illegal activity, including but not limited to, the transmission of copyrighted or trade secret material, the transmission of obscene, defamatory, or threatening material, or the propagation of any criminal activity.

No user shall violate the computer security systems implemented by the Town.

No user shall pirate software or download and transfer software for which the user does not have the proper licensing.

All users are expected to undertake precautions to prevent infection of town computers by computer viruses. Executable programs imported from other sites to town computers may not be used unless they have been authorized by the Town Manager or Director of IT, or designee, and have been subjected to the virus detection procedures approved by the Director of IT, or designee. Additional restrictions or regulations on the importing of remote files may from time to time be imposed, and such restrictions or regulations shall be considered part of this policy.

Users shall not engage in activities that could cause congestion and disruption of networks and systems, including but not limited to consuming excessive system resources. For security purposes, employees should either log off or revert to a password screen saver when leaving their computer for an extended period. When leaving for the day, employees should log off and power down all electronic equipment.

Personally-owned devices used to 'officially' access town email and/or data will be subject to the same security-related regulations and anti-harassment policies.

Open Meeting Law Compliance: All provisions of the Massachusetts Open Meeting Law apply to email communication.

35-2. Social Media. Purpose: This policy applies to all Town of Williamstown employees, appointed and elected officials to ensure that their use of social media conforms to the law and this policy. Further, all managers and supervisors should use this policy for guidance in administering the social media policies to their departments.

This policy is designed to promote and govern the professional and personal use of social media in a responsible manner and to avoid uses that can breach confidentiality by revealing protected information about the Town, its citizens, its vendors and suppliers, or its employees; expose the Town to legal liability for employer or employee behavior that may be harassing, offensive, or maliciously false; or interfere with employees' productivity and/or their ability to perform the duties and responsibilities of their positions with the Town. The Town strives to continue to be a professional organization comprised of professional employees, and the proper use of social media is key to maintaining the respect and trust of its constituents and the general public.

The Town expects employees to refrain from illegal activities when using social media. Employees who engage in illegal activity via social media are subject to immediate termination and appropriate legal action by the Town or governmental entities. Should any employee of the Town receive information about or become aware of a violation of this policy, including but not limited to harassing, offensive, threatening or intimidating communication via a social media site from another employee of the Town, the recipient employee should report the violation to their supervisor, and/or Town Manager. If employees are unclear as to what constitutes an illegal activity or they have any questions, they should contact their supervisor or the Town Manager.

Prohibited conduct also includes making false statements about others or posting information and materials that could contribute to a hostile workplace, such as derogatory comments about an employee's age, race, color, national origin, sex, pregnancy, religion, disability, genetic information, sexual orientation, gender identity, familial status, or other legally-protected characteristic. Online postings that harass or threaten any other Town employees, officials or members of the public are expressly prohibited. Harassing or discriminatory comments may be deemed inappropriate and in violation of this policy even if the Town's name or the names of any of its employees are not posted in the comment.

All employees are encouraged to remember that they are a representative of the Town, even when off the premises and/or during non-working hours

Broad Scope of Social Media: For the purpose of this policy, social media includes all means of communicating or posting information or content of any sort on the internet, including to your own or someone else's web log or blog, journal or diary, personal website, social networking or affinity website, web bulletin board, or chat room, whether or not associated or affiliated with the Town of Williamstown, as well as any other form of electronic communication. This includes, but is not limited to, online platforms that facilitate activities such as professional or social networking, posting commentary or opinions, and sharing pictures, audio, video, or other content. Social media includes personal websites and all types of online communities, including but not limited to,

Facebook, LinkedIn, Yelp, YouTube, Twitter, and Instagram. Because technology is rapidly evolving, this policy applies to current and future forms of electronic communications.

The same principles and guidelines found in the Town of Williamstown Anti-Harassment and Discrimination Policy apply to your activities online and through all of the above-mentioned social media outlets. Before creating online content, keep in mind that any of your conduct that adversely affects your job performance, the performance of fellow associates or otherwise adversely affects members, customers, suppliers, people who work on behalf of the Town, or the Town's legitimate business interests may result in disciplinary action up to and including termination.

Town-Sponsored Social Media: The Town engages in communications with current and prospective employees, customers, business partners, vendors and suppliers, affiliates and subsidiaries, and the general public via Town-sponsored social media. The Town-sponsored social media are for business use only, and the Town owns the accounts for the Town-sponsored social media, including all content, communications, and connections created, sent, received, or stored on such accounts. Only employees who are designated and authorized by the Town can prepare content for, delete, edit, or otherwise modify content on the Town-sponsored social media; such employees are specially trained by the Town for use of the Town-sponsored social media.

The Town permits reasonable use of social media by all employees for work purposes, such as research or to participate in audio conferences or webinars. The Town expects all employees to abide by the Town's Code of Conduct and Anti-Harassment and Discrimination Policy when using social media for work purposes.

Rules of Conduct on Social Media:

- Always be fair and courteous to fellow employees, customers, members, suppliers, or people who work on behalf of the Town of Williamstown. Work-related complaints are more likely to be resolved by speaking directly with co-workers or by utilizing the Town's open-door policy than by posting complaints to a social media outlet.

- Postings should avoid using statements, photographs, video, or audio that reasonably could be viewed as malicious, obscene, threatening, or intimidating, that disparage customers, members, associates, or suppliers, or that might constitute harassment or bullying. Examples of such conduct might include offensive posts meant to intentionally harm someone's reputation or posts that could contribute to a hostile work environment on the basis of race, sex, disability, religion, or any other status protected by law or Town policy.

- Always be honest and accurate when posting information or news, and if a mistake is made, correct it quickly. Be open about any previous posts you have altered. Remember that the internet archives almost everything; therefore, even deleted postings can be searched. Never post any false information about the Town, fellow employees, suppliers or others.

- Maintain the confidentiality of Town's confidential information. Confidentiality may include personal information about employees and citizens, information regarding the

development of systems, processes, projects, know-how, and technology. Do not post internal reports, policies, procedures, or other internal business-related confidential communications without permission from the Town.

- No personal blog, website or social networking site may be linked to the Town website.
- Employees should never represent themselves as a spokesperson for the Town of Williamstown, unless they have received prior permission to do so from the Town Manager. If an employee does publish a blog or post online related to the work they do or subjects associated with the Town, they must make it clear that they are not speaking on behalf of the Town. It is best to include a disclaimer such as “The postings on this site are my own and do not necessarily reflect the views of the Town of Williamstown or its employees”.
- Refrain from using personal social media while on work time or on equipment provided by the Town, unless it is work-related as authorized by your manager or consistent with the Town’s Computer/Information Technology Policy. Do not use the Town’s email addresses to register on social networks, blogs, or other online tools utilized for personal use.

Retaliation Is Prohibited: The Town of Williamstown prohibits taking negative action against any employee for reporting a possible deviation from this policy or for cooperating in an investigation. Any town official/manager/employee who retaliates against another employee for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination.

Media Contacts: Town employees should not speak to the media on Town’s behalf without contacting the appointing authority/Town Manager. All media inquiries should be directed to them. For more information, for any questions or further guidance, please contact the Town Manager or the HR Director.

Social Media when off-duty. While employees may maintain and use personal web pages and websites, blogs, microblogs, social networking sites, and other forms of social media while off duty, their status as employees of the Town requires that the content of any postings on those social media sites or other web pages not be in violation of existing Town by-laws, policies, directives, rules, or regulations. Employees must exercise caution with respect to comments they post concerning the Town, a particular department of the Town, and/or other employees and officials of the Town.

Additional Illegal Conduct Prohibited: Employees should not take pictures or make audio/video recordings in private areas such as changing rooms, locker rooms, and restrooms, nor should they share such pictures or recordings via social media.

Security and Monitoring of Social Media: Because the Town owns and operates electronic communication systems and devices, the Town may monitor employee use of social media, whether accessed at work or elsewhere through telecommuting, to ensure that electronic communication systems and devices are being used in compliance with federal and state laws and regulations, this policy, and other the Town rules. For more information, see the Town's Computer Use and Communications Equipment Policy.

35-3. *Mobile Devices Provided by the Town.* Employees whose work requires the issuance of a mobile device will be provided such device at the recommendation of the Department Head and the approval of the Town Manager. If an employee believes there is a legitimate business need for them to use a Town cell phone, they should communicate the need to their department head who will evaluate their request. Evaluation criteria includes the following:

- The frequency of the employee's need for cellular communications for Town business.
- The cost of cellular communication as compared to alternative forms of communication.
- The provision of cell phones to others within the employee's department and the potential to share or jointly use cell phones.

If the department head determines a legitimate need, they will forward for approval from the Town Manager. The Town Manager will determine whether a Town owned cell phone will be ordered or if the use warrants a stipend for use of their personal cell phone.

Town Owned Cell Phones: If an employee is approved for a Town-owned cell phone, the Town will be responsible for purchasing the phone and protective/carry case. Such cell phones shall be purchased by the Town utilizing standard purchasing policies and procedures.

Personal Cell Phones: If the Town Manager determines use of an employee's personal cell phone is required for their position and they prefer to use their personal cell phone, they will be eligible for a \$25 monthly stipend without data or a \$45 monthly stipend of a personal cell phone with data through payroll for such usage. This stipend or reimbursement is a taxable benefit in which the employee is responsible for their share of the taxes and other applicable deductions.

The Town will not reimburse an employee if their personal cell phone is lost, stolen or damaged - or in any way becomes unusable. Under no circumstances will the Town reimburse employees for additional data, texting, internet, or downloading expenses on their personal phone. Employees who opt to use their own mobile devices for Town business, are advised that their device may be subject to records access laws.

Usage Guidelines:

- Detailed records of the use of Town mobile devices are public records and may be requested at any time.
- Mobile devices provided by the Town are to be used predominantly for work-related purposes. Personal use that incurs charges must be paid for by the employee.
- In addition to this policy, the use of mobile devices is governed by personnel policies which relate to the use of all Town computing equipment.
- Hand-held cell phone use while operating Town equipment is prohibited unless it is an emergency. If there were a need to use the cell phone while operating the vehicle for a non-emergency, the vehicle is to be pulled over and

Security Guidelines:

Mobile devices with access to email and other data services are part of the Town's technology infrastructure, and as such, will be subject to the security guidelines outlined in in the Town's technology security plans.

Users are responsible for the physical safety of their Town provided devices and must report lost/stolen/damaged equipment immediately to the technology staff.

Public Records: Any employee using a town issued cell phone or receiving a stipend from the town is reminded that all information such as email or text messages may constitute a public record. Any information related to official town business existing on personal cellular phones may also constitute as public record. Therefore, any such information should be considered official business of the town and should be maintained as public records in the same manner as email messages.

36.0 "Whistleblower" Policy

36-1. *Purpose:* This policy is adopted pursuant to and in accordance with the Massachusetts Whistleblower Protection Act, 1992, Massachusetts General Laws, Chapter 149 (the "Act") and is designed specifically to protect such conduct and provide such remedies as are set forth in the Act.

It is the policy of the town and the responsibility of the Town Manager/HR Director:

- (a) To encourage the reporting by its employees of improper governmental action taken by town officers or employees; and
- (b) To protect town employees who have reported improper government actions in accordance with this policy.

The Town encourages initial reporting to the Town to allow for expeditious resolution of all such matters and to minimize any adverse impacts of the improper action.

36-2: *Procedure:* Town employees who obtain knowledge of facts demonstrating improper governmental actions should raise the issue first with their supervisor, the Town Manager/HR Director, or the appropriate governmental agency responsible for investigating such improper action. If employees are uncomfortable with making such reports to these individuals, they may make the report to any member of the Select Board. If requested by the supervisor or the Town Manager/HR Director, the employee shall submit a written report to the Town stating in detail the basis for the employee's belief that an improper governmental action has occurred.

In the case of an emergency, the employee may report the improper governmental action directly to a person or entity who is not the person's supervisors, the Town Manager/HR Director, or other government agency. In all other cases, the employee must first follow the reporting procedure outlined above.

An employee is not required to comply with the above procedure if he/she:

- A. is reasonably certain that the activity, policy or practice is known to one or more supervisors of the employer and the situation is emergency in nature;
- B. reasonably fears physical harm as a result of the disclosure provided; or

makes the disclosure to a public body for the purpose of providing evidence of what the employee reasonably believes to be a crime.

Town employees who fail to make a good-faith attempt to follow this policy in reporting improper governmental action shall not receive the protections provided under this policy or the Act. Employees who make false reports may be subject to the disciplinary procedures in this manual.

The supervisor or the Town Manager/HR Director, as the case may be, shall take prompt action to assist the Town in properly investigating the report of improper government action. Town officers, administrators, supervisors, and employees involved in the investigation shall keep the identity of the reporting employees confidential to the extent possible under the law unless the employee authorizes the disclosure of their identity in writing. After an investigation has been completed, the employee reporting the improper governmental action shall be advised of the summary of the results of the investigation, except personnel actions taken as a result of the investigation may be kept confidential.

36-3. Retaliatory Action: Town officials, administrators, supervisors and employees are prohibited from taking retaliatory action against the town employee because they have, in good faith, reported an improper governmental action in accordance with this policy.

Employees who believe that they have been retaliated against for reporting an improper governmental action should advise their supervisor or the Town Manager/HR Director. Town officials, administrators and supervisors shall take appropriate action to investigate and address complaints of retaliation. If the supervisor or Town Manager/HR Director does not satisfactorily resolve an employee's complaint that they were retaliated against in violation of this policy, the employee, in accordance with the Act, may, within two years, institute a civil action in the superior court. Any party to said action shall be entitled to claim a jury trial. All remedies available in common law tort actions shall be made available prevailing plaintiffs. These remedies are in addition to any legal or equitable relief provided herein.

36-4. Responsibilities: The Town Manager/HR Director is responsible for implementing the Town's policies and procedures. They will ensure this policy is permanently posted where all employees will have reasonable access to it and will have this policy available to any employee upon request. They will, to the extent it considers practical, provide training and education on the whistleblower policy. Individuals who commit such acts may be removed from the premises and may be subject to criminal prosecution. Employees may also be subject to disciplinary action, up to and including termination.

The Town needs the cooperation of all employees to implement this policy effectively and to maintain a safe working environment. Employees should not ignore violent, threatening,

harassing, intimidating, or other disruptive behavior. Employees who observe or experience such behavior by anyone on town property should report the incident immediately to a supervisor or department head, whether or not the alleged offender is an employee. Supervisors and department heads who receive such reports should contact the Town Manager immediately for a response. Threats or assaults that are of an emergency nature and require immediate attention should first be reported to the Police Department via 911.

The Town is committed to providing a safe environment for working and conducting business, in so far as is reasonably possible given available resources. The Town will not tolerate acts of violence committed by or against employees or members of the public on town property, or during the performance of town business, regardless of location.

For the purposes of this policy, the word violence shall mean, but is not limited to, an act or behavior that:

- is physically injurious or abusive;
 - a reasonable person would perceive as obsessively directed (e.g., an intensely focused grudge, grievance or romantic interest in another person) and reasonably likely to result in harm or threats of harm to persons or property;
 - consists of a communicated or reasonably perceived threat to harm another individual or in any other way endanger the safety of the individual;
 - is a behavior or action that a reasonable person would perceive as menacing;
 - involves carrying or displaying weapons, destroying property, or throwing objects in a manner reasonably perceived to be threatening; or
 - consists of a communicated or reasonably perceived threat to destroy property.
- Such communications through electronic means or social media may be considered as violence.

40-3. Firearms Policy: Possession or use by employees of firearms or other items which may be considered dangerous and/or are designed to cause death or serious bodily injury are prohibited on town property, in town vehicles, or in any personal vehicle which is used for town business, or during business hours, except for those employees who are engaged in official military or law enforcement activities. Possession or use of a firearm in such circumstances is prohibited whether or not the employee is licensed to carry a firearm or has a Firearm Identification Card (FID). Use of other objects by employees, such as, but not limited to, pocket knives, razors, hammers, etc., in a dangerous or potentially dangerous manner is also prohibited.

Violent actions on town offices, work locations, or while on town business, will not be tolerated or ignored. Any unlawful violent or non-violent actions committed by employees or members of the public on town property, or while using town facilities, will be subject to prosecution, as appropriate. The Town intends to use all reasonable legal, managerial, administrative, and disciplinary procedures to secure the workplace from violence and to reasonably protect employees and members of the public.

Department heads and supervisors are responsible for receiving reports of incidents of workplace violence, assessing situations, making judgments as to appropriate responses,

responding to reports of workplace violence, and initiating the investigation process. Department heads shall submit all reports to the Town Manager.

41.0 Pregnant Workers Fairness Act

41-1. *Policy and Statement:* The Town does not discriminate based on pregnancy or related conditions, including lactation and the need to express breast milk for a nursing child, unless this discrimination is based on a bona fide occupational qualification. The Town also does not discriminate based on sex, which can include pregnancy, childbirth, and the need for maternity leave, unless this discrimination is based on a bona fide occupational qualification (BFOQ) within the meaning of Section 703(e)(1) of Title VII, 42 U.S.C. §2000e-2(e)(1).

The Town shall provide reasonable accommodations requested by employees for their pregnancy or related conditions, unless these accommodations would impose undue hardship on the Town's business. The Town also does not reject applicants because of their pregnancy or related conditions if they can perform their essential job functions with reasonable accommodations, unless these accommodations would impose undue hardship on the Town's business.

The Town shall provide written notice to employees about their rights under the pregnancy discrimination prohibitions and reasonable accommodation requirements in the employee handbook or by other means. Specifically, the Town shall provide this notice to new employees at or before the start of their employment and to existing employees within 10 days after they provide notice of their pregnancy or related conditions.

41-2. *Lactation Policy:* Employees who are nursing mothers can take reasonable break periods during the workday to express breast milk for their children. Such nursing mothers can take breaks each time they need to express milk beginning from the date of the nursing child's birth and for up to one year.

41-3. *Lactation Room:* For the convenience and privacy of nursing mothers, the Town will provide a lactation space.

41-4. *Equipment:* All nursing mothers must provide and use their own breast pumps and milk bottles. Contact the Town's Employee Assistance Program (EAP) for more information about purchasing or renting appropriate lactation-related equipment. Employees can get EAP information from the Town Manager's Office.

42.0 Severe Weather and Other Emergencies Policy

42-1. *Policy and Statement:* This policy establishes guidelines for operations during periods of extreme weather and other emergencies. The Town offices remain open in all but the most extreme circumstances. Unless an emergency closing is announced, all employees are expected to report to work, although all employees are urged to use their own discretion in deciding whether they can safely get to work or be at work. When an emergency closing hasn't been declared, employees who don't report to work because of inclement weather or other emergency have the option of taking vacation, personal leave, or leave without pay.

42-2. *Designation of Emergency Closing:* Only by authorization of the Town Manager, Board of Selectmen, or Governor of MA, does the Town cease operations because of emergency circumstances. If severe weather conditions develop during working hours, department managers can allow their nonessential employees to leave work early.

42-3. *Emergency Management Team:* An Emergency Management Team, consisting of the Town Manager, Public Works Director, Police Chief, Fire Chief, and appropriate representatives from their departments are responsible for monitoring weather and emergency conditions for the purposes of communicating and implementing emergency plans. The DPW Director is responsible for coordinating snow removal efforts and other steps necessary to maintain the safety and security of the Town premises during severe weather and other emergency conditions.

42-4. *Procedures For All Employees:* If weather or other emergency conditions prevent employees from reporting to work on time, they are responsible for notifying their supervisor, within the first hour of the workday. If direct contact isn't possible, leaving a detailed voicemail message or message with another employee is acceptable. Employees should leave a phone number where they can be reached.

42-5. *Essential Personnel:* If the Town is officially closed, essential functions must be maintained and essential personnel must report to work unless otherwise instructed. A roster of essential personnel is maintained by each department manager. An up-to-date copy of each department's roster is kept on file in the Town Manager's Office.

42-6. *Announcements:* Modifications to normal operations are announced as early as possible through the following media: telephones, emails, and Williamstown websites. In severe weather situations, employees will be notified by their department heads.

43. Compliance Investigative Procedure

43-1. *Introduction and Applicability:* The Town of Williamstown, MA is committed to conducting business and services ethically and in accordance with applicable laws and regulations of the local, state and federal government. The purpose of this procedure is to establish the requirements for reporting and investigating suspected incidents of unethical behavior or suspected violations of applicable laws, regulations or Town policies or procedures. The Town will investigate all reports of misconduct and will take all appropriate steps to address violations that it finds. This procedure applies to all town officials (elected or appointed), employees, independent contractors, representatives or other persons acting for or on behalf of the Town.

43-2. *Reporting procedure:* It is the responsibility of every employee, independent contractor and applicable third parties with knowledge or a reasonable belief of an incident of unethical behavior, a violation of law, regulation or contractual obligation governing our town business and services, violation of the Code of Conduct/Code of Ethics, or any other Town policy or procedure, to promptly report such violations. Employees have the option of making such reports to their manager, Town Manager/Human Resources Director, the Town Clerk, or other designees. If employees

are uncomfortable with making such reports to these individuals, they may make the report to any member of the Select Board.

Examples of the types of reports covered by this policy include but are not limited to:

- questionable accounting or auditing matters
- potentially illegal practices and/or dangerous situations
- unethical acts and/or potential violations of the Code of Conduct/Code of Ethics
- hate and racial discrimination crimes, other forms of discrimination as defined by law and in these policies; sexual harassment, bullying, and
- fraud against the Town, taxpayers, vendors or employees of the Town.

If a Town employee has knowledge or reasonable belief that a violation of law or Town policy or contractual obligations has occurred, or they are asked to violate law, policy or contractual obligations, they should not remain silent. Report such violations, or suspected violations; depending on the circumstances to the appropriate Town personnel listed above. Failure to report may itself violate the Code of Conduct/Code of Ethics. Remember that no unethical or illegal acts can be justified by saying they benefited the Town, or were directed by a higher authority in the organization.

If a Town employee encounters a situation and is unclear on the appropriate course of action, they should discuss the issue with their supervisor or report it to the Town Manager/HR, Town Clerk or Town Counsel.

Any supervisor receiving a report is expected to promptly report the matter to any of the above personnel and take such further action as may be directed.

43-3. *Non Retaliation:* The Town strictly prohibits retaliation by any employee against an individual who reports a violation of law or Town policy in good faith or objects to or refuses to participate in an activity they feel is in violation of law or Town policy. No hardship, loss of benefit or penalty—which may include downgrading an employee's performance rating, limiting an employee's opportunities for assignments or advancement, excluding an employee from town or departmental functions or general mistreatment—may be imposed on an employee as punishment for:

- filing or responding to a good faith complaint; or
- cooperating in an investigation.

Individuals who engage in reckless or malicious reporting with knowledge that the incident reported has no factual basis will be subject to the appropriate and applicable disciplinary process, up to and including termination.

43-4. *Investigation:* The Town will review all reports received and determine their credibility. The Town Manager, Town Counsel and appropriate senior management will be notified of reports alleging serious violations of Town policy and/or law, and such persons should notify the Chair and Vice Chair of the Select Board. When appropriate,

the Town Counsel will instruct that the actions outlined herein shall be performed at the direction of in-house legal counsel. In addition, external counsel may be appointed to lead certain investigations as well.

Following receipt of the report, the Town will appoint an Investigator to conduct a review of the allegations by the complainant. Generally, Town Manager and Legal Counsel will be involved to some extent in any investigation, and the investigation may also involve assistance from the HR Director, internal audit and other departments as appropriate. The Investigator will interview individuals who, in the Investigator's discretion, may have relevant information. Unless otherwise directed, the Investigator will also review applicable documents related to the allegations. If during the investigation, the Investigator determines that a records hold is necessary, the Investigator will work with the Town Counsel to issue a records hold directive to the affected individuals. Employees are expected and required to cooperate fully with all investigations; failure to do so can result in disciplinary measures, including and up to termination.

Note that in no event are individuals or their employees who have an interest in the outcome of the investigation permitted to participate in the investigative process. In addition, if the Town Manager/HR, the Town Counsel, Town Clerk or other officer are implicated in the investigation's allegations, the matter will be referred to any other of such officers who will determine the scope of the investigation and will appoint someone independent from the conflicted individuals to direct the investigation. If such other officers are implicated, have a conflict of interest or otherwise not available to fulfill this task, the matter will be referred to the Chair and Vice Chair of the Select Board.

43-5. *Report:* The Investigator will draft a written report summarizing the allegations, the steps of the investigation, the laws or policies implicated, the conclusion of the investigation and any remedial measures taken. The memorandum shall be forwarded to appropriate members in Management, Legal, and HR, as well as other appropriate members of senior management. Distribution of this memorandum will be limited to individuals with a need-to-know status.

In applicable cases, the Investigator will consult with the Town Counsel as to the outcome of the report, including whether any disclosures to a governmental body and/or appropriate authorities are required and what compliance enhancements and remedial measures should be undertaken. Town Management, Legal and HR will also coordinate, where appropriate, if disciplinary actions are necessary.

Unless otherwise designated, all investigations will be kept confidential. Any external inquiry regarding the investigation should be forwarded to the appropriate legal, management, and/or communications personnel. Where appropriate, the actions outlined herein shall be performed and records shall be maintained in a manner consistent with the attorney-client, work product, privacy protections and other applicable privileges. Records of all incidents will be kept a minimum of seven years.
