

FOR IMMEDIATE RELEASE

The 2023 dog licenses are available as of February 6, 2023. The current fees are \$5.00 for spayed/neutered dogs and \$12.00 for all others. Dog licenses must be renewed by **March 31, 2023**.

Dog licenses can now be purchased online via the Town's website: <https://williamstownma.viewpointcloud.com/>. Once on the page, scroll down to "Town Clerk Licenses". You may pay online or send in/drop off a check. Regardless of how you would like to pay, you still should complete the licensing process online. Your dog tag(s) will be mailed to you once completed. You will need to create a login if you do not have one for Viewpoint.

There are detailed instructions on the website to help with learning the new process <https://williamstownma.gov/government/documents/>.

Failure to renew your license will result in a late fee of \$10.00.

It is a requirement that all dog owners must provide proof of a current rabies vaccination in order to obtain their dog license. You will be able to upload your rabies certificate directly to the online portal. If you don't have a scanner, taking a picture with your phone works too.

Residents who have questions regarding dog licenses should email or call the Town Clerk's office at nbeverly@williamstownma.gov or 458-3500 Ext. 101.
