Dear Homeowner,

The Town of Williamstown will be paving Front Street, John Street, Manning Street and Brook Road this May or June 2023. Dates are subject to weather. The project will consist of lowering maintenance hole and storm drain structures, milling the road surface, installation of new curbing, then paving.

The contractor will do their best to complete the project in a timely manner. The contractor's hours of operation are 7:00am -5:00pm. All vehicles should be parked off the road.

Any driveway aprons that need to be replaced will be done by the Highway Department after completion of road paving.

If your residence is rented, please notify the tenants of this project.

If you have any questions, please contact the Public Works Department at the phone number or email address provided.

Respectfully,

Craig Cough
