There are income guidelines for larger household groups additionally, but we'll talk about that as needed when you come in.

Recipients must be 60 years of age to be eligible and also be a resident of Williamstown. This year the coupons are worth \$50 which is not only an increase in value but could be a real benefit if you're at a Farmers Market and find a vendor who doubles coupons...All coupons must be used by October 31st 2023.

Finally, if you cannot make it into Harper yourself and you're a Williamstown elder it's possible for you to appoint a proxy to come in for you. Your proxy does not have to be 60, only recipients need to meet the guideline. Anyone can proxy for you, neighbor, family member, home care worker... Call us if you have questions, 414-458-8250
